

The planning application 21/0733/DNS was considered by Welshpool Town Council.

Welshpool Town Council objected to the application for the following reasons.

1. Evidence showed that there is no local need for it in this area.

2. Transport " The road system in place would not be able to cope. Diversions would be through surrounding small villages, which would lead to significant delays and obstructions.

3. There would be a major adverse impact on the valued Powys landscape.

4. Noise and vibration generated by the facility. Supporting documents failed to prove that this will not be the case.

5. Health risk implications and lack of disability accessibility.
