Dear Mr Edgeworth

DNS 3214813

Thank you for your letter of 26 May 2021 requesting our comments on an objection raised by the National Trust about the above application.

We note that the National Trust advise that the proposed development will be visible from Powis Castle and, if this is the case, we recommend that the applicant's impact assessment will need to be updated analysing the likely impact of the development on the setting of Powis Castle.

Yours sincerely,

Denise Harris
Casework Manager
