**Town and Country Planning Act 1990**  
**The Developments of National Significance (Wales) Regulations 2016**  
**Application by:**  
**Site:**

As you will be aware the deadline for interested parties to submit representations and for the Local Planning Authority to submit its Local Impact Report has now passed.

All representations received have been published to the Developments of National Significance website. The Local Impact Report is yet to be submitted.

<https://dns.planninginspectorate.gov.uk/projects/wales/mor-hafren-energy-recovery-facility/?ipcsection=overview>

The appointed Inspector will now consider all the representations, and the Local Impact Report once received, and determine which procedure the examination of the application will follow by no later than **11/12/2020**, in line with the above Regulations.

The applicant now has until **11/12/2020**, in line with the above Order, to make a request to vary the application. If a request is made and accepted, it will result in the examination of the application being suspended.

This letter will be made publicly available on the DNS website.

Yours sincerely
