Dear Sirs

**Town and Country Planning Act 1990**  
**The Developments of National Significance (Wales) Regulations 2016**  
**Regulation 24 of the Town and County Planning (Environmental Impact Assessment)(Wales) Regulations 2017 (as amended); and**  
**Regulation 15(2) of the Developments of National Significance (Wales) Regulations 2016 (as amended)**

**DNS Application 3236340**  
**Môr Hafren Energy Recovery Facility**

Further to your letter of 11<sup>th</sup> December 2020, I am now in a position to respond formally as Agent for the Applicant, Môr Hafren Bio Power Ltd.

Annex A of your letter sets out the further information requested from the applicant (pages 6 and 7).

Our main response comes in the form of a further Addendum to the Environmental Statement with the main amendments being updated Air Quality and Ecology Chapters (Chapter 6 and 10 respectively), as a consequence of the request for an updated Air Quality Assessment to address NRW's requirement 1 in their letter of 26<sup>th</sup> November 2020.

Additionally, a tree assessment chapter has been provided to address Cardiff Council's Local Impact Report.

An updated Draft of the CEMP and LEMP is included, along with the requested additional photomontages.

The document is referenced ES Addendum 2, following on from ES Addendum submitted in October 2020.

The following lists the additional documents comprising further information. Documents that are now

superseded are marked as such.

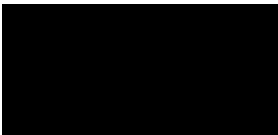

- **Doc 20 SUPERSEDED Môt Hafren ERF Dwg. PL201 Proposed Site Sections,GSDA,200820,Revision A**
